MEMORANDUM FOR: CHAIRMAN, AD HOC REQUIREMENTS COMMITTEE
ATTENTION: [REDACTED]

SUBJECT: Army Requirements in the Middle East (U)

1. The fluidity of the military situation in the Middle East and the lack of collateral intelligence precludes the possibility of submitting a comprehensive list of high priority Army targets. It is requested, therefore, that the following area coverage be substituted for previous communications delineating Army requirements in the area. The emphasis in coverage at this date is away from the Cyprus-Malta base complexes to concentrated coverage of the mainland. Exploitation of photography resulting from the general coverage requested herein will generate later, more specific Army target requests.

2. For the reasons outlined above, photographic coverage of the following areas is required by Army intelligence:

25X1D

a. Egypt from the area east of 29° Longitude and north of 28°

Latitude [REDACTED]

25X1D

c. Jordan west of the Dead Sea and Jordan River.

d. The Jordan-Iraq Border.
